Your lamp map

Every mission you solve lights a lamp. Color it in and write the letter you won underneath.

When you have them all, read them in order. They are the words that open the last door.

A letter to Santa Claus

Agent: you have helped me for twelve days and asked for nothing. That will not do. Write to me. Rime collects your letter and Scroll reads every word. This one will not get lost. I promise.

Dear Santa Claus,

My name is ..... and I am ..... years old.

I am helping you get the Star back and find the spy. Since I have helped you, I would like to ask you for this at Christmas:

.....

.....

.....

And for someone I love:

.....

.....

P.S. Please do not go past my house.

How to send it

1. Cut out the sheet and write your letter on the other side.
2. Show it to a grown-up before you seal it.
3. Fold the bottom third up and the top third down, with your letter inside.
4. Seal it with tape, turn it over, fill in the return address and add a stamp.
5. Post it with a grown-up. Or leave it by the tree, if you would rather.

Write your address clearly, with a grown-up, and no riddles. On day 24 you will find out why.
